Update Component A/B Montreal

Earlier today, you received an email regarding the cancellation of the October 3rd CCEB examination administration in Montreal due to the increased public health restrictions in the region related to COVID-19.

The CCEB has been successful in relocating the Component A and B examinations to Trois Rivières, Quebec.

**Delta Trois-Rivières,
1620, rue Notre-Dame Centre,
Trois-Rivières, QC**

Please refer to your earlier examination email regarding exam time and additional information.

What should you do now?

If you are **able and willing** to attend the examination in Trois Rivières, simply plan accordingly and attend the exam site as communicated in your original exam confirmation email.

If you are **unable or unwilling** to attend the examination in Trois Rivières, please email exams@cceb.ca with your request to cancel your application. You will receive a full refund.

Please note that we are not able to accommodate requests to move to a different exam site or remote proctoring at this time.
